# Gazette September 2022

What does the LORD God want from you? To respect Him, walk in all His ways, and love and serve Him. Deut 10:12-13

Even though I walk through valleys as dark as death, I will not fear any danger, because You are with me. Ps 23:4

Those whose hope is in the LORD will find new strength. They will run and not tire, walk and not faint. Is 40:31

This is what the LORD God says, "Stand at the crossroads and look. Ask for the old paths, the good roads. Walk in them and you will find rest for your souls." Jeremiah 6:16

## “Cost of Living Crisis”

Whatever the actual figures turn out to be, it seems almost certain that the cost of energy this winter is going to push many people into a very difficult situation. According to some estimates the number of people living in fuel poverty in Yorkshire could reach 58.5%. This means that they would be spending more than 10% of income on fuel.

For some the costs will be bearable, but for others who are already struggling this could mean serious problems, especially those who are having to pay more for mortgages and those who are also finding the rate of inflation for other items particularly difficult.

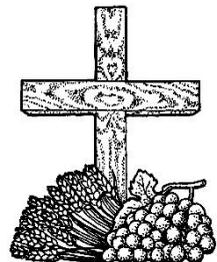

It's not possible for us to solve this problem, but there are small things that we can do which could make a difference to some people, especially if we will not be so seriously affected by the crisis. For instance, we can listen to those who might be struggling and make sure that people are not stigmatised in our church communities. We can look out for neighbours who we know might be having a hard time. It might also be possible to invite people we think may be living in a cold house to a church event or service where they might keep warm. In addition to this we might think about giving hot meals to anyone we know can't afford much gas for cooking – or to invite people into our homes for a coffee so that they can be warm, if only for a short time.

We can also give to Hambleton Foodshare and to charities helping out at this time.

Finally, we can keep our neighbours in our prayers, so that we have them regularly in mind.

Best wishes, Jonathan Cooper.

### Welbury WI report of the August meeting

Our August speaker was Fiona Andrews from Dementia Forward, a local charity started in Ripon, supporting people living with dementia and their families across North Yorkshire <https://www.dementiaforward.org.uk/>

Fiona described some of the different kinds of dementia and outlined how the different types

progress. She explained how important it is to get a diagnosis to make a person's 'dementia journey' the best it can be by being prepared and living the best life they can. Sometimes dementia like symptoms can have other treatable causes such as infection, thyroid disorder etc. so the message was if you are concerned that you or someone close has symptoms to seek advice from your GP sooner rather than later.

Loss of peripheral vision happens quite quickly with dementia which can lead to misperceptions and misidentification all increasing a sufferer's anxiety. Simple measures such as contrasting colours (e.g., toilet seats in bathrooms) help to make things easier for the person with dementia.

There was some good news in the form of evidence based recommendations to reduce the risk of dementia; education (cognitive stimulation), exercise (150 minutes per week of aerobic exercise), stop smoking, control blood pressure, cholesterol & blood sugars (if diabetic). Anyone can contact Dementia Forward for advice (without any charge) on 03300 578592 both prior to diagnosis and after diagnosis.

**Parish Council Meeting

**Rountons Coffee Roasters** have got a good collection of coffee sacks at the moment, and we'd love to offer them to anyone who could get some use out of them for crafts, gardening etc?

We also have GrainPro sacks - the plastic liners that come inside the hessian - which could be picked up too. These are heavy-duty plastic bags, the same size as the hessian sacks.

We're open from 08:00-16:00, Monday - Friday, so that'd be the best time to pop over and collect. Tomas Keavney

***Cinquefoil Corn Dolly Hunt/Quiz on 1<sup>st</sup> October***

would be ideal for a family day out. Younger members could seek out the Corn Dollies and write down the letter attached to each one. Next, they have to make the letters into a word. Collect all the words from the five churches and make into a sentence. There will be a prize for the winner of this part of the event. The older family members can answer the quiz questions, some of which are based on the history of Harvest Festivals and Corn Dollies. Each church will have floral displays for visitors to admire as they travel round each church in turn. Continental breakfast will be served at East Rounton Village Hall, morning coffee at Deighton Village Hall and lunch back at East Rounton Village Hall where all the prizes will be given out and the Grand Draw winners announced. Any further enquiries please contact Linda or Stephen on 01325 378774.

It is hoped that each church will put on a display of Harvest Festival themed flower arrangements. All five churches will have their name put in a hat and the first name drawn will receive a pair of hand turned wooden candlesticks with decorated Harvest Candles, courtesy of Michael Dale. Each church will receive a gift for their help with the flower displays. If anyone could bake a cake or sweet for the lunch it would be very much appreciated. Please let Linda know.

## Looking after St Leonard's

To keep St Leonard's looking as lovely as it does, both outside and inside (so it's always ready for Christenings, weddings & funerals) requires lots of time and effort by a few volunteers.

Even during the winter months, during tidying, a special effort is made to get on top of all the jobs, but to do this, volunteers are needed (please see below for dates and full details) -

### **St Leonard's churchyard tidying day Sunday 2<sup>nd</sup> October anytime from 11am.**

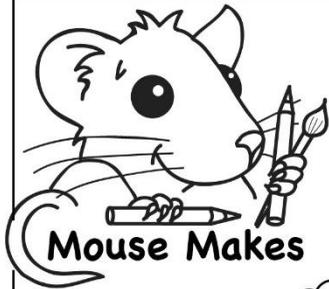

*(Please note change of date)*

Many hands make light work so if anyone can spare a few hours that would be much appreciated. If the weather is wet this will become the indoor day with hope for better weather on the 22<sup>nd</sup> of October. Jobs that need doing are listed below but could be done prior to this date if anyone has chance: Hedge cutting, Weeding & sweeping the path - Strimming under the hedges and the areas of long grass - Cutting back any self-set trees especially ash & elder – Removing ivy where possible or cut it back - Tidying around all the graves (the lawnmowers get fairly close, but some spaces are inaccessible)

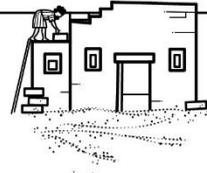

**And indoor cleaning day Saturday 22<sup>nd</sup> October anytime from 11am.** Again, all help greatly appreciated to clean from top to bottom ready for Advent & Christmas. A list of jobs will be on top of the font, from removing the high cobwebs to cleaning the brass.

Refreshments will be freely available both days.
